**ANDREW PEISCH JOINS SEER CAPITAL MANAGEMENT LP AS HEAD OF
MARKETING AND INVESTOR RELATIONS**

Seer Capital enhances investor relations with new senior appointment

May 9, 2012

Seer Capital Management LP has hired Andrew Peisch as Head of Marketing and Investor Relations for the Firm.

Mr. Peisch was most recently, Co-Head of Structured Finance Banking at Jefferies & Co. Previously, he was a Managing Director and Head of Structured Credit Products Banking and Origination at Deutsche Bank and prior to that, he was head of Structured Finance at Merrill Lynch & Co.

“We are pleased to have someone with Andrew’s background joining Seer. Andrew’s depth of experience in Securitized Products is exceptional. He knows the markets, and he will greatly enhance the level of service we provide our investors”, said Richard d’Albert, co-Chief Investment Officer of Seer Capital.

Mr. Peisch earned an MBA in Finance from the Harvard Business School and a Bachelor of Arts in History from Dartmouth College.

About Seer Capital

Seer Capital Management LP is an independent investment firm based in New York specializing in the securitized products sectors of the fixed income markets, most notably RMBS, ABS and CMBS. The firm was founded by Philip Weingord, former Head of Global Markets Americas at Deutsche Bank, and manages approximately \$700mm in Assets.
